

HKU 2023 Summer Workshop on Statistics and Data Analytics

July 5, 2023 (Wednesday)

MWT2, G/F, Meng Wah Complex, Main Campus

The University of Hong Kong

About the Workshop

This workshop is co-organized by the Department of Statistics and Actuarial Science at HKU and the HKU Business School. We aim to bring together a few leading researchers in statistics and data science to discuss interesting researches and improve in-person interactions of the data science community.
